ABOUT THE SYMPOSIUM

A national stage for **health innovation.**

Following two successful editions in **2024** and **2025**, the Canada HealthTech Innovation Symposium returns for its **third edition** — bringing together the brightest minds at the intersection of AI, healthcare innovation, biotechnology, and digital therapeutics.

CHTIS 2026 will explore how emerging technologies are reshaping **patient care, diagnostics, precision medicine, and healthcare delivery models**. Through thought-provoking keynotes, dynamic panels, and hands-on masterclasses, the symposium serves as Canada's premier hub for learning, collaboration, and actionable insights.

EVENT HIGHLIGHTS

THOUGHT-PROVOKING KEYNOTES

Renowned experts and thought leaders deliver insights on the latest trends, challenges, and opportunities reshaping the health ecosystem.

INTERACTIVE PANELS & DISCUSSIONS

Dynamic panels and fireside chats on AI-driven diagnostics, digital therapeutics, telemedicine, interoperability, and personalized medicine.

NETWORKING OPPORTUNITIES

Connect with industry peers, partners, and investors during curated networking sessions designed for meaningful collaboration.

EXHIBITION SHOWCASE

Experience the forefront firsthand as corporates and emerging organisations pitch their game-changing solutions to a captivated audience.
